### Why Adopt?

Adopting a cat or kitten saves a life!

Animal Outreach of the Mother Lode sees over 10,000 animals each year and rescues more than 2,000 cats and dogs.

By adopting one of these rescues, you are giving an animal a second chance at life and get a loyal, life-long friend in return.

Permanent adoption of spayed/neutered pets in loving homes is the best solution to reduce unwanted animals and prevent animal cruelty.

## We Need You!

### Our Mission

Reduce the number of cats euthanized by providing low cost spay/neuter programs, adoption placement, and public education.

With over 2,000 cat and dog rescues a year, our 100+ foster homes are overflowing. If you are interested in opening your home to foster an animal while they wait to find their forever home, please contact us at the number below.

### Volunteers

Volunteers are needed to help run adoption clinics, provide animal care, and transport supplies for events. Photographers and people with web site experience are also needed.
